MEMORANDUM FOR: Legislative Counsel

SUBJECT : H. R. 8152

STATINTLST
AT!

Attached are [] thoughts as well as Mr. Colby's thoughts on my memorandum to you of 19 June 1973. I am inclined to agree as I told [] last week, that Madden is wrong. However, as I see it we have no chance of working for elimination of the Holtzman amendment. I assume you agree that we should take no further action at this time. As you know we are working towards possible alternatives for restrictive legislation applicable to the Agency.

On reading 508 +
513 I think Mr. Madden
would be wrong - as
513 essentially covers
coordination - I would
think we would be better
off eliminating this amendment
& accepting a restoration in
our Act we could live with -
